2. POLICY STATEMENT

- 2.1 Askham Bryan College recognises the importance of protecting our students from harm and resolving incidents of peer on peer (child on child) abuse. Peer on Peer abuse can take many forms including bullying, harassment, including harassment and sexual misconduct, sexual violence and cyber bullying.
- 2.2 Keeping Children Safe in Education September 2024 (KCSIE 2024) places emphasis on the duty for colleges to guard against the negative impact on children's welfare, happiness and development, caused by peer on peer abuse. It is referred to in KCSIE 2024 as 'child on child abuse' however College has chosen to retain the term 'peer on peer abuse' for the purposes of our policy and procedure.
- 2.3 Askham Bryan College is committed to providing equality of opportunity and parity of treatment for all individuals regardless of age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation, political affiliation or carer responsibility. It is the right of every member of the College community and visitors to work in and visit the College without fear of abuse, bullying, harassment or victimisation. The College recognises the problems associated with peer on peer abuse and is committed to providing an environment in which all individuals can operate confidently and therefore competently and effectively. If a complaint is brought to the attention of College staff it will be investigated promptly and appropriate action will be taken. The College will ensure that this policy is publicised and that its contents are made known to all members of the College community and visitors. Staff will take all allegations of peer on peer abuse seriously.

PEER ON PEER (CHILD ON CHILD) ABUSE (STUDENTS) POLICY 2024-2026

2.4 In many cases, types of abuse do not occur in isolation, and one particular case of peer on peer abuse may reveal that participants themselves, including the alleged perpetrators, are themselves receiving abuse from other sources. Given the multi-textured and contextual experience in most cases of peer on peer abuse, any response to a case must see the biggest picture and aim to consider types of abuse being experienced and capture the full context of the student's experience. In order to achieve this, we aim to discuss any concern with as many sources of information as possible, including staff (directly involved with witnessing a concern or who have knowledge of the students involved), friends of relevant students, families and any other agencies working with the student(s).

2.5 As a part of our safeguarding work, we:

- Seek to be aware of the level and nature of the risk to which any student is, or might be, exposed;
- Apply an approach which takes regard of safeguarding matters and context;
- Take a contextual whole-college approach to preventing and responding to peer on peer abuse concerns;
- Regard the implementation of this policy as a preventative measure, aiming not simply to react to allegations or incidents of peer on peer abuse;
- Recognise the importance of this issue as critical to our students' welfare, happiness and development;
- Will engage with the parent / carer community as appropriate to encourage open discussion of any specific or general concerns they might have about their own children or other children in the College community.

3. PURPOSE

3.1 This policy is intended for incidents where the individuals involved are all students. In the case of abuse by a member of staff against either another member of staff or a student and a formal complaint is made, that will be dealt with either under the College Safeguarding Policy or the (Staff) Dignity at Work Policy or the Staff Disciplinary Policy.

4. SCOPE AND LIMITATIONS

4.1 This Policy applies across all sites, to all staff, students and visitors to College premises.

5. RESPONSIBILITIES

5.1 The Vice Principal (Students) will have overall responsibility for ensuring compliance with this policy. 6.1.1 Incidents of bullying and harassment and sexual misconduct result from any conduct by an individual or group which is not (or is no longer) wanted by the recipient, or any conduct which affects the dignity of an individual or group of individuals at College. Bullying and harassment may be repetitive or an isolated incident against one or more individuals, but in all cases is behaviour that intentionally hurts another individual /group either physically or emotionally.

This policy covers all types and forms of bullying and harassment including:

- Physical Contact: e.g. touching, patting; assault or gestures, intimidation, aggressive behaviour.
- Verbal: e.g. Unwelcome remarks, suggestions and propositions, malicious gossip, insults, jokes and what is perceived by the alleged perpetrator to be 'banter'.
- Non-verbal: e.g. offensive literature or pictures, graffiti and computer imagery, and unacceptable behaviours expressed online (cyber-bullying') including sending offensive, upsetting messages by email, text, instant messenger, through gaming websites, social media sites and apps, and sending offensive or degrading photos or videos. Isolation or non- co-operation and exclusion from social activities.

6.1.2 The basis for bullying may include:

- Bullying related to physical appearance;
- Bullying of young carers, children in care or otherwise related to home circumstances;
- Bullying related to physical/mental health conditions;

6.1.3 These are examples of conduct which may be regarded as bullying and harassment and are not exhaustive. Any other behaviour which could reasonably be considered as bullying and harassment will be the subject of an investigation

6.2 Cyber-Bullying

6.2.1 Cyberbullying, or online bullying, can be defined as the use of technologies by an individual or by a group of people to deliberately and repeatedly upset someone else. Cyberbullying is often linked to discrimination, including on the basis of gender, race,

PEER ON PEER (CHILD ON CHILD) ABUSE (STUDENTS) POLICY 2024-2026

faith, sexual orientation, gender identity or special educational needs and disabilities. For example, girls report experiencing a higher incidence of cyberbullying than boys, and lesbian, gay, bisexual and transgender people are more likely to experience bullying, including cyberbullying.

- 6.2.2 Cyberbullying, like other forms of bullying, affects self-esteem and Self-confidence and can affect mental health and wellbeing, in the worst cases leading to self-harm and suicide. Addressing all forms of bullying and discrimination is vital to support the health and wellbeing of all members of the College community.
- 6.2.3 Cyberbullying takes different forms: threats and intimidation; harassment or stalking (e.g. repeatedly sending unwanted texts or instant messages); vilification and defamation; ostracism and peer rejection; impersonation; and forwarding or publicly posting private information or images.
- 6.2.4 Cyberbullying can be characterised in several specific ways that differ from face-to-face bullying. These include the profile of the person carrying out the bullying; the location of online bullying; the potential audience; the perceived anonymity of the person cyberbullying; motivation of the person cyberbullying; and the digital evidence of cyberbullying. For the majority of people, most experiences of technology are useful and positive. Cyberbullying can affect and involve all members of the College community – students, staff, parents and carers.
- 6.2.5 There is not a criminal offence called cyberbullying. However, there are criminal laws that apply to a range of behaviours linked to cyberbullying including stalking, threats, accessing computer systems without permission, and circulating sexual images.
- 6.2.6 Some cyberbullying content and activity is illegal. This includes indecent images of children (under the age of 18, including self-created images); obscene content (for example depictions of rape or torture); hate crimes and incidents, including racist and homophobic material; revenge pornography (sexual images of people over the age of 18 that have been published or forwarded without permission); threats of violence, rape or death threats; and stalking and harassment. If the College believes that the content or activity is illegal, or is not sure, we will contact the police for guidance.
- 6.2.7 Schools and colleges have specific powers in relation to searching and confiscating digital devices that belong to students, and to deleting digital content. We will always take care when exercising these powers that we do so proportionately and lawfully. We will inform students, parents and carers of the College's policies in relation to this.
