Full description	Apprenticeship in Agriculture to work full time. Hutton Wandesley Estate LLP (3000 acre cereals and potato farming operation) are looking to recruit an Agricultural Apprentice, to assist in all areas of farm work. No prior experience is required; however a keen interest in the land and a 'can-do' attitude are vital to the role. The applicants will be expected to be able to work as part of a small team and be physically fit to undertake all aspects of work in all weather conditions. This role will be based at Hutton Wandesley As part of your apprenticeship, you will be required to undertake vocational training with Askham Bryan College. Roles and responsibilities will include: Tractor and telehandler work (subject to qualifications), potato harvesting (irrigation, harvesting and grading) general help with sheep

	herds, general yard and workshop duties.
Short description	This is an excellent opportunity for a keen individual to start their career in farming. We have successfully had 3 apprentices through the programme on the Farm, all of whom continue to have rewarding careers in the industry and have progressed to Combine and potato harvester operators and excellent spray and seed drill technicians. We have a small group of farm employees who can turn their hands to most projects on the farm e.g fencing, hedge and tree planting, road repairs etc
