

Time Travelling Transport

What is the first vehicle you see when you enter the museum?

What colour is it?

Does it have a number or destination on the front?

Catch a tram, bus or walk to your next destination

[illegible]

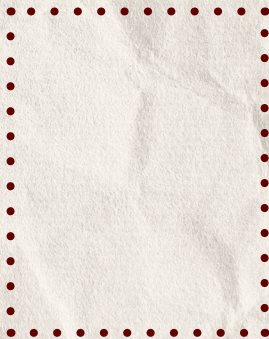

Time Travelling Transport

What is the first vehicle you see when you enter the museum?

What colour is it?

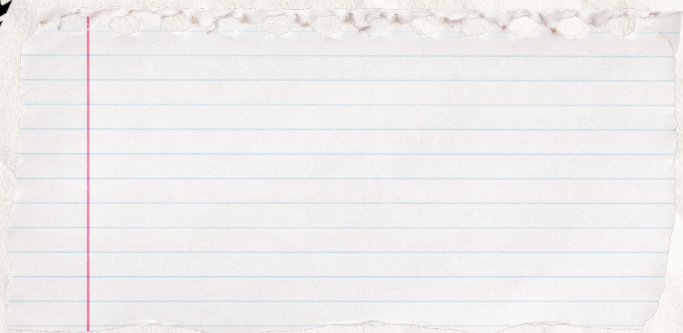

Does it have a number or destination on the front?

Catch a tram, bus or walk to your next destination

Head to the garage in The 1900s Town. Can you find a sidecar? Would you travel in one?

At The 1900s Town stables, what companies used carts to transport their goods?

Visit the tram depot, how many trams can you see?

FARES PLEASE!
